

Swedish House Mafia, Lifetime (ft. Ty Dolla \$ign & 070 Shake)

Once in a lifetime
Watchin the skyline
Don't change your mind while
under the white light

[Dolla \$ign]

Once in a lifetime
Baby it's the right time
I'll put on the red light
Told you it was on, on site ty
You had on a sindress
Nover fail to impress
We had the best sex
We made love all night

Once in a lifetime
Watchin the skyline
Don't change your mind while
under the white light
