

Sweet, Block Buster

Aah, aah

You better beware, you better take care

You better watch out if you've got long black hair

He'll come from behind, you go out of your mind

You'd better not go, you'd never know what you'll find

Aah, aah

You look in his eyes, don't be surprised

If you don't know what's going on behind his disguise

Nobody knows where Buster goes

He'll steal your woman out from under your nose

Does anyone know the way, did we hear someone say

We just haven't got a clue what to do

Does anyone know the way, there's got to be a way

To Block Buster!

The cops are out, they're running about

Don't know if they'll ever be able to Block Buster out

He's gotta be caught, he's gotta be taught

'Cos he's more evil than anyone here ever thought

Does anyone know the way did we hear someone say

We just haven't got a clue - ow!

Does anyone know the way, there's got to be a way

To Block Buster!

Does anyone know the way did we hear someone say

We just haven't got a clue what to do

Does anyone know the way, there's got to be a way

To Block Buster!

Aah, aah, aah, aah

Buster, Buster, to Block Buster!

Buster, Buster, to Block Buster!

Buster, Buster, to Block Buster!...
