

# Sweet, Burning/Someone Else Will

Ah Ah...

So tired of ya lyin'  
Take it as it comes  
you've bin hanging round all weekend  
I'm not the only one  
If we don't f\*\*k you then someone else will

You F\*\*k me in the kitchen  
You f\*\*k me in the hall  
When your in the dressing room  
You f\*\*k any one at all  
If we don't f\*\*k you then someone else will

At the 3rd stroke  
It'll be 5  
52  
spacemen  
Watchout !

So tired of ya lyin'  
Take it as it comes  
you've bin hanging round all weekend  
Now i'm not the only one  
If we don't f\*\*k you then someone else will
