

Sweet, Falling In Love

If ever there was a man
Who needed love then you'll understand
My heart couldn't be wrong
I lost my head when she came along
Guess I'm back in the game, baby
Here I go again
When it happened before I got hurt
And I can't stand the pain
(Can't stand the pain)
And I know that I'm falling in love again
Oh Oh
Yes I know that I'm falling in love again
Oh Oh
A kind of loving began
That turned me into a passionate man
She took my heart and my soul
I couldn't help it I was losing control
Another one of those nights, baby
Then I saw the light
There was no looking back
As I left all the others behind
(All left behind)
And I know that I'm falling in love again
Oh Oh
Yes I know that I'm falling in love again
Oh Oh
If ever there was a man
Who had the world in the palm of his hand
I got no time for the past
When there's a future that's build to last
Now I'm back in the game, baby
Here I go again
'Cause it's easy to sing
Just as long as the song stays the same
(Song stays the same)
And I know that I'm falling in love again
Oh Oh
Yes I know that I'm falling in love again
Oh Oh
