

# Sweet, Falling In Love

If ever there was a man  
Who needed love then you'll understand  
My heart couldn't be wrong  
I lost my head when she came along  
Guess I'm back in the game, baby  
Here I go again  
When it happened before I got hurt  
And I can't stand the pain  
(Can't stand the pain)  
And I know that I'm falling in love again  
Oh Oh  
Yes I know that I'm falling in love again  
Oh Oh  
A kind of loving began  
That turned me into a passionate man  
She took my heart and my soul  
I couldn't help it I was losing control  
Another one of those nights, baby  
Then I saw the light  
There was no looking back  
As I left all the others behind  
(All left behind)  
And I know that I'm falling in love again  
Oh Oh  
Yes I know that I'm falling in love again  
Oh Oh  
If ever there was a man  
Who had the world in the palm of his hand  
I got no time for the past  
When there's a future that's build to last  
Now I'm back in the game, baby  
Here I go again  
'Cause it's easy to sing  
Just as long as the song stays the same  
(Song stays the same)  
And I know that I'm falling in love again  
Oh Oh  
Yes I know that I'm falling in love again  
Oh Oh
