Me (Ooo Ooo) Me...

From the day until the day we throw it all away
Lets talk about it, cause I can do without it
Your love, it means so much to me
Can't you see, right here I'll always be

Oh, by the way did I say that I am here to stay
Right here beside you
I will never deny you my love
You're everything to me
Can't you see, I will give it to you unselfishly
Because I need you so (ohhh baby)
And I will never ever let you go

I'll bring you flowers in the pouring rain
(Did you know) living without you is driving me insane
I'll bring you flowers, I'll make your day
The tears you cry, I'll dry them all the way away

Me (Ooo Ooo)
Ohhhh Baby

And if one day you went away
I'd feel so lonely inside
I can't deny that I would break down and cry
And all those flowers they would wilt in the rain
And it would cause me misery and pain
Because I need you so, (ohhh baby)
And I will never ever let you go

I'll bring you flowers in the pouring rain
Did you know living without you is driving me insane
I'll bring you flowers, I'll make your day
The tears you cry, I'll dry them all the way away
