

# Sweet, Fox On The Run

I don't wanna know your name  
Cause you don't look the same  
The way you did before  
OK you think you got a pretty face  
But the rest of you is out of place  
You looked all right before  
Fox on the run  
You screamed and everybody comes a-running  
Take a run and hide yourself away  
Fox on the run  
F-foxy, foxy on the run and hideaway  
You-you talk about just every band  
But the names you drop are second hand  
I've heard it all before  
I don't wanna know your name  
Cause you don't look the same  
The way you did before  
(repeat chorus)
