

# Sweet Matthew, Divine Intervention

I don't know where I'm gonna live  
I don't know if I'll find a place  
I'd have to think about it some  
And that I do not wish to face  
I guess I'm counting on His  
Divine intervention

I cannot understand my God  
I don't know why it gets to me  
One day my life is filled with joy  
And then we find we disagree  
All depending on His  
Divine intervention

Alright

(solo)

We're all counting on His...{divine}

Does He love us?

Does He love us?

Does He love us?

Does He love us?

Hmmm now does He love us?

I look around

And all I see is destruction

We're all counting on His

Divine intervention

When He comes the sun shine

When He comes the sun shine

Sunshine, the sunshine

Here it comes...
