

# Sweet Matthew, Giving It Back

Your depth of sadness was a gift  
And for a while I cherished it  
I'm tired of wasting my time away  
So I'm giving it back to you  
Givning it back to you  
It takes a lot to keep you going  
Wearing me down without you knowing  
My will to fight has gone away  
So I'm giving it back to you  
Giving it back to you

I'm tired of wasting my time away  
So I'm giving it back to you  
Giving it back to you  
I'm tired of wasting my time away  
So I'm giving it back to you  
Giving it back to you
