

Sweet, Miss Demeanour

You're a woman of the moment
a bitch and ya know it
but baby you got something coming to ya
your reputation fame I'm gonna blow it
Get back to the things ya do yeah
you got bad blood runnin' through ya
God I got to hand it to ya
you got bad blood runnin' through ya
You think ya fell in love with a dreamer
but baby ya better believe I'm a schemer
you're gonna get what's comin' to ya
Maybe baby they should call you Miss Demeanour
