

Sweet Noise, Give It All Away

Elelele city hush!

I carry sex on my back like my father

I carry love like my mother did

I want to share it all with another

Lost soul waiting there for me

So much pain too much pain I can't take it

I want to give it all

give it all away

come on with the next one...

See you naked

See you broken

see you lonely

See you praying for your freedom lost

We destroy our past, roots, beauty

The monuments are falling down

for Tibet

for burnt land

for the black land

for the lovers and haters

non believers

and for those who pray to god

won't you shade a tear for our mother earth

Gcwala ngam mfana

Gcwala ngam mfana singorhasatsha

Mizuzu eyi siphohlongo

Mizuzu eyi siphohlongo

shade a tear... I want to

shade a tear for our mother earth

he gave his life to the beats sounds music

what man gave, man burnt it all

in my head tic toc bomb's ticking

soul's burning

heart will explode

tic toc bomb's ticking

cyber crime

Gcwala ngam mfana

Gcwala ngam mfana singorhasatsha

Mizuzu eyi siphohlongo

Mizuzu eyi siphohlongo

Gcwala ngam mfana singorhasatsha

Siyaliphuza siyalphalaza

Mizuzu eyi siphohlongo...

Yini ngathi anina verstaan

Isifojiso

Mizuzu eyi siphohlongo...

Siyaliphuza

Siyalphalaza

Gcwala ngam mfana

Gcwala ngam mfana singorhasatsha

Mizuzu eyi siphohlongo

I'm giving it all away

giving it all away

I'm giving my pain away

I want you...

I need you...

Elelele city hush!!!
