

# Sweet Noise, Painkiller

Ndibambha ndiyeka Ndibambha ndiyeka  
Ndibambha ndiyeka mbhambho zonke  
Nyuka moya, Nyuka moya  
Kude lasiyakhona  
Ungajiki ngoku jikiswa  
Ungagwaji ngoku gwajiswa  
Thatha nantsi izuka  
Thatha nantsi izuka umtwanami  
Hlangana mathambo  
Ndiyabuza baphantsi  
Awu kwenzenjani? Awu kwenzenjani?  
Ndibona umhlola apha ekhaya  
Kubo!

PAINKILLER ANOTHER  
DREAM RAPER BLOOD HUNGRY SUCKER  
ANOTHER SOUL TAKER  
IM SUCKED DRY NOT ONE DROP TO SPILL  
CUT THE MOTHERFUCKIN THROAT  
OF MY BROKEN WILL  
WHAT IT TAKES TO MAKE ME  
BLIND AND DEF  
AND SONGS THOSE SHALLOW MY DAILY BREAD  
BROTHER  
I NEED A HINT OF INSPIRATION  
SOME MOTIVATION  
REVOLT THE DECLARATIONS  
REVOLT  
REVOLT  
REVOLT  
REVOLT

Its like the cold rain in the middle of my way  
fingers bleeding search for chords to play  
and the words they brake evolve and become  
we hit the stone and steal with the bare hands  
my love and passion  
Kubo!  
my love and passion  
my love and passion the pain and confessions  
desire and fate on my thorny ways  
Ive got stories to tell and million books to burn  
but im no one without you  
i feel the tears you crying  
the fear of life and dying  
your eyes they cant be lying  
you live your life trying  
with love and passion comes pain and confessions  
desire and fate on my wicked ways  
Ive got stories to tell and million books to burn  
and Im here without you  
my home  
my life  
my name  
my pride  
You rape you kill and go  
nothing left in here for you  
fuck you its been to much  
your kiss like the devils touch  
my life  
my love  
my child  
my home  
where do we go from here love  
hush baby dont you cry...  
hush baby dont you cry...

love and passion, compassion
