

# Sweet, Questions

(Ian Gillan/Roger David)

What were you thinking yesterday  
What will you say tomorrow  
How many times you've changed your mind  
When will you feel my sorrow  
When will you feel my sorrow

Open your hands and close your eyes  
Listen I'm breathing faster  
Here is the ring I bought for you  
When shall I have my answer  
When shall I have my answer

Darkness (this night)  
Ooh, leave me (forever)  
This day (our love)  
Will keep me (together)  
Underneath my tree  
Songs of love and me

How many times I sing my song  
How can I wait forever  
When will she say she loves me, too  
When shall we be together  
When shall we be together

These are the questions I have asked  
(How could you ask the first ones last)  
Now I shall ask another  
(What will she say I wonder)  
Please can you tell me what's your name  
(So pleased to meet you let me dream)  
Now I can start all over  
(Now I can start all over)  
Now I can start all over
