

Sweet, Rebel Rouser

Inside out gonna burn tonight
'Cause the heat is on and the time is right
Who is the face that's gonna set the pace
"I'm a rocker, I'm a roller, I'm an outer space"
Come on, come on, well you come on strong
With my knees all weak from your lightning streak
Like a thunder flash, supersonic crash
He appears, you'll freeze
Knock your head over heels
Alright, alright, alright, alright
Rebel rouser, rebel rouser
High speed king worship everything
'Bout the rebel rouser, rebel rouser
Juvenile jive
Gotta be a rebel rouser
He got u.v. eyes that can hypnotise
And his sky high lies infra-red disguise
Who is the guy who's gonna catch your eye
"I'm a supersonic racer lasered from the sky"
Look out, look out, when the rebel's out
He can chill your veins, explode your brain
He was born to rule, baby, he's no fool
He was heaven sent, but his soul's hell bent
Alright, alright, alright, alright
Rebel rouser, rebel rouser
High speed king worship everything
'Bout the rebel rouser, rebel rouser
Juvenile jive, gotta be a rebel rouser
Gotta be a rebel rouser
He's a rebel - he's a rebel...
Alright, alright, alright, alright
Rebel rouser, rebel rouser
High speed king worship everything
'Bout the rebel rouser, rebel rouser
Juvenile jive, gotta be a rebel rouser
