

# Sweet, She Gimme Lovin

Pains in my heart  
Torturin' me with desire  
And when we part  
Emptiness puts out the fire  
Walkin' down the street, there's nobody there  
Cry in my sleep  
As long as I'm with her I don't care  
She gimme lovin' (lovin')  
Lovin' (lovin'), gimme lovin' (lovin')  
Lovin' like I never had  
Lovin' (lovin'), gimme lovin' (lovin')  
Lovin' like I never had  
Child in the night  
I'll always be by aside  
Beatin' all night  
Our lives will forever be tight  
Shoutin' my name whenever I'm with her  
Crying out loud  
Whenever I break I don't care  
She gimme lovin' (lovin')  
Lovin' (lovin'), gimme lovin' (lovin')  
Lovin' like I never had  
Lovin' (lovin'), gimme lovin' (lovin')  
Lovin' like I never had  
Ooh, if she won't let me free  
I'm never fall asleep  
Wanna be inside her  
Ooh, she won't say I'm her man  
She'll never understand  
Somehow I'm inside her  
She gives me love, love, love  
Oh baby, oh a little love, love, love, love, love  
Give me some love, oh I've gotta give you love  
Give me some love  
She gave me love that I'm alright
