

# Sweet, Stairway To The Stars

The heroine's a hero  
Uprating me to zero  
I couldn't hold a candle to you  
The hardest part is leaving  
This web of love you weaving  
You've shattered my illusions  
I've come to the conclusion  
You' re gonna do a number on me  
I'll never get to heaven with you  
There's a stairway to the stars  
Yeah, but it's a freeway into your arms  
There's a stairway to the stars  
Yeah, but it's a freeway  
Stairway to the stars  
Girls in your condition  
They ain't in no position  
To do the things you're doing to me  
You opened like a flower  
You filled my head with power  
Boys get avaricious  
Feeling pretty vicious  
So don't you paint your fingers for me  
No, no, you'll never get to heaven with me (no way)  
There's a stairway to the stars  
Yeah, but it's a freeway into your arms  
There's a stairway to the stars  
Yeah, but it's a freeway  
Stairway to the stars  
Take the stairway to my heaven  
Take your stairway to my heaven  
Take your stairway to my heaven  
Take your stairway to my heaven  
There's a stairway to the stars  
Yeah, but it's a freeway into your arms  
There's a stairway to the stars  
Yeah, but it's a freeway  
Stairway to the stars  
Stairway to the stars  
Stairway to the stars  
Stairway to the stars
