

Sweet, Thank You For Loving Me

Honey do you believe in me
All the love in your heart
You gave me has set me free
Night after night
Like a bird in my pie
Lady you're not my dream
You gave everything to me
Oh yeah
With every breath that I take
To help forget melody
I know that this love is real
By the way that I feel deep inside
Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and I care not for any more
Lover a way said so much time
When you took my hand in yours
I knew you were mine
I saw the light
No more shift in the path in the night
Now I'm change my way
I'll want you to help me to stay in luck
Somethings you never forget
Just like the first time we meet
You were a woman so wild
With a face of a child
I wanted you
Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and I care not for any more
Honey do you believe in me
All the love in your heart
That you gave me has set me free
You gave everything to me
Somethings you never forget
Just like the first time we meet
I know that this love is real
By the way that I feel deep inside
Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and I care not for any more
Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and I care not for any more
Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
