

# Sweet, Wig Wam Bam

(Chinn/Chapman)

Hiawatha didn't bother too much  
'Bout Minnie Ha-Ha and her tender touch  
Till she took him to the silver stream  
Then she whispered words like he had never heard  
That made him all shudder inside when she said

Wig-wam bam, gonna make you my man  
Wam bam bam, gonna get you if I can  
Wig-wam bam, wanna make you understand  
Try a little touch, try a little too much  
Just try a little wig-wam bam

Running Bear never cared enough  
About Little White Dove and her tender love  
Till she took him to the silver stream  
She told him all about what he couldn't live without  
And made him all weak inside when she said

Wig-wam bam, gonna make you my man  
Wam bam bam, gonna get you if I can  
Wig-wam bam, wanna make you understand  
Try a little touch, try a little too much  
Just try a little Wig-wam bam

Wig-wam bam sham-a-lam  
Wam bam bam sham-a-lam  
Wig-wam bam sham-a-lam  
Wam bam bam sham-a-lam

Hiawatha didn't bother too much  
About Minnie Ha-Ha and her tender touch  
Till she took him to the silver stream  
Then she whispered words like he'd never heard  
That made him all shudder inside when she said

Wig-wam bam, gonna make you my man  
Wam bam bam, gonna get you if I can  
Wig-wam bam, wanna make you understand  
Try a little touch, try a little too much  
Just try a little wig-wam bam, and she said

Wig-wam bam, gonna make you my man...
