Sweet, Wig Wam Bam

(Chinn/Chapman)

Hiawatha didn't bother too much
'Bout Minnie Ha-Ha and her tender touch
Till she took him to the silver stream
Then she whispered words like he had never heard
That made him all shudder inside when she said

Wig-wam bam, gonna make you my man Wam bam bam, gonna get you if I can Wig-wam bam, wanna make you understand Try a little touch, try a little too much Just try a little wig-wam bam

Running Bear never cared enough About Little White Dove and her tender love Till she took him to the silver stream She told him all about what he couldn't live without And made him all weak inside when she said

Wig-wam bam, gonna make you my man Wam bam bam, gonna get you if I can Wig-wam bam, wanna make you understand Try a little touch, try a little too much Just try a little Wig-wam bam

Wig-wam bam sham-a-lam Wam bam bam sham-a-lam Wig-wam bam sham-a-lam Wam bam bam sham-a-lam

Hiawatha didn't bother too much About Minnie Ha-Ha and her tender touch Till she took him to the silver stream Then she whispered words like he'd never heard That made him all shudder inside when she said

Wig-wam bam, gonna make you my man Wam bam bam, gonna get you if I can Wig-wam bam, wanna make you understand Try a little touch, try a little too much Just try a little wig-wam bam, and she said

Wig-wam bam, gonna make you my man...
