

Sweet, You Don't Care About Me

(Scott)

Uh la la
Uh la la
Uh la la
Uh la la

You walk your way
And i'll walk my way
'Caues we tryed all way's
Not the right way's

You grow up
You grow up
And you don't care about me

Good times, Bad times
They seem like old times
Now you are leaving me
Say's it's over

You grow up
You grow up
And you don't care about me

I've been watching you
Cheat and lie your way's baby
And you don't care
Tell me thing's that you
Think that i don't know the answer
And you don't care

No

You walk your way
And i'll walk my way
'Caues we tryed all way's
Not the right way's

You grow up
You grow up
And you don't care about me
And you don't care about me
you don't care about me
you don't care about me
you don't care about me
you don't care about me
