

Sweetbox, Always On My Mind

Maybe I didn't love you
Quite as often as I could have
And maybe I didn't read you
Quite as good as I should/could have
If I ever made you feel second best
Baby I'm sorry I was blind

But you were always on my mind
You were always on my mind

Maybe I didn't hold you
All those lonely lonely times
And maybe I never told you
I'm so happy that you're mine
Little things I should have said and done
I just never took the time

But you were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't died
Give me, give me one more chance to keep you satisfied
I'll keep you satisfied

Little things I should've said and done
But I just never took the time

But you were always on my mind
You were always on my mind

But you were always on my mind
You were always on my mind
