

# Sweetbox, Always On My Mind

Maybe I didn't love you  
Quite as often as I could have  
And maybe I didn't read you  
Quite as good as I should/could have  
If I ever made you feel second best  
Baby I'm sorry I was blind

But you were always on my mind  
You were always on my mind

Maybe I didn't hold you  
All those lonely lonely times  
And maybe I never told you  
I'm so happy that you're mine  
Little things I should have said and done  
I just never took the time

But you were always on my mind  
You were always on my mind

Tell me, tell me that your sweet love hasn't died  
Give me, give me one more chance to keep you satisfied  
I'll keep you satisfied

Little things I should've said and done  
But I just never took the time

But you were always on my mind  
You were always on my mind

But you were always on my mind  
You were always on my mind
