

Sweetbox, Trying To Be Me

Come on, here we go now
Look at me and tell me what you see
Mm you might think that I'm just crazy
See I'm not that typical
Well I'm not tryin be

I don't really care what they say
What they say won't change my ways and
Yeah I like to be naughty
Well I'm just trying to be me

Na na na na na na na...
tryin to be...
Na na na na na na na...
I'm just trying to be me
Trying to be me

Hey hey hey, come on
see I tried to get along with you
But I'll never be what you want me to
You turn around the things I say
Your jealousy's in the way

Can't you see I know what I said
I don't think I need to reword
So come on and let me be
Well I'm just trying to be me

Na na na na na na na...
Tryin to be...
Na na na na na na na...
I'm just trying to be me

I'm Just trying to be me
I don't care, what they say
Thats the way it's gotta be

I dont know, whats going on
Tell me why do they always wanna trip on me
They trip on me
I've known the worst, come on
Tell me why do they trip on me

Do you really think, your gonna get me?
Do you really think, your gonna stop me?
Do you really think, I'm gonna take this?
Dont no, no no.....

Na na na na na na na...
Tryin to be...
Na na na na na na na
I'm just trying to be me...

Na na na na na na na
I'm just tryin be...
Na na na na na na na
I'm just trying to be me...
