

Sweetbox, Unforgiven

Unforgiven...
Unforgiven...
Unforgiven... yeah... Oh

Keep hittin my head on the wall
Cryin out but who hears my call
Walkin on the edge but don't fall
I just wanna lose my sense of self control

Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose all control of this
Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose

Unforgiven...
Unforgiven...
Unforgiven... yeah...

Can put these voices to sleep
I need to have more room to breathe
Putting my paranoia at ease
Oh I just wanna lose my sense of self control-oh!

Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose all control of this
Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose

Unforgiven... yeah
I'm unforgiven
Ooooh

I dont wanna think...
I wont care...
Come on Come on...
Hey, Hey, Hey OH!

Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose all control of this
Input output overload too quick
Lookin for and searchin for climax to this
Screamin cryin am I slowly dyin
I'm about to lose
