

# Sweetbox, Vaya Con Dios

This time gonna try to keep it light  
No teary Toni Braxton goodbyes  
No use in dying of confusion  
Skipping straight through to where  
I'm thinking like Confucius  
Auf Wiedersehn, don't you cry  
Arrivederci, have a nice life  
I'm too old to waste tomorrow  
See you later sayonara

Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios  
Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios

So you broke my heart and I lied  
What's the point in wondering why  
Just another test in loves little game show  
In the story of my life  
You're just a scene in an episode  
No violins, no one died  
"Here's looking at you kid" goodbye  
You were never big enough to change who I am  
"Frankly my dear I don't give a damn"

Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios  
Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios

I'm going through, I'm going through, I'm going through  
I'm going through, I'm going through

This time gonna try to keep it light  
No teary Toni Braxton goodbyes  
No use in dying of confusion  
Skipping straight through to where  
I'm thinking like Confucius  
Auf Wiedersehn, don't you cry  
Arrivederci, have a nice life  
I'm too old to waste tomorrow  
See you later sayonara

Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios  
Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios  
Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios  
Ooooooh ooooooh wooooo oooh  
Vaya con dios, vaya con dios
