

Sweethearts Of The Rodeo, Broken Arrow

Who else is gonna bring you a broken arrow
Who else is gonna bring you a bottle of rain
There he go moving across the water
There he go turning my whole world around

Do you feel what I feel can we make it so it's part of the deal
I gotta hold you in these arms of steel lay your heart on the line
I wanna breathe when you breathe
When you whisper like that hot summer breeze
Count the beads of sweat that cover me didn't you show me a sign
Who else is gonna bring you...

[fiddle]

Do you see what I see can you cut behind the mystery
I will meet you by the witness tree leave the whole world behind
I wanna come when you call I'll get to you if I have to crawl
They can't hold me with these iron walls we've got mountains to climb
Who else is gonna bring you...
Turning my whole world around turning my whole world around
[fiddle - mandolin]
