Sweethearts Of The Rodeo, Don't Look Down

Sometimes when I come home I feel like I'm fightin' the world alone
I can get nowhere oh but I don't care
Everybody's telling me what they need I'm hoping there's a little bit left for me
It's a real fine line oh but I don't mind
Cause I'm just taking it step by step ain't hit the wall that'll stop me yet
Road gets higher each time around you keep on moving and don't look down
You keep on moving and don't look down

Sometimes when I go out it's hard to remember what it's all about
Cause it's such a fight oh but that's all right
You can't have love if you don't have dreams it's headin' for anything in between
That's the way it is it's how I'm gonna live
Cause I'm just taking it step by step...
[guitar]
I'm just taking it step by step...
I'm just taking it step by step...
Don't look down don't look down don't look down
