

Sweethearts Of The Rodeo, Gone Again

I'm packing bags making plans to leave oh Lord that plane won't wait
Life on the road isn't easy for me you know I'd love to stay
Don't wanna leave I wanna hold you tight seems like I never win
Cause all we ever do is say goodbye so long I'm gone again

Feel like I'm runnin' but I don't know where another lonely town
You know I'll call you when I get down there soon I'll be homeward bound
I thought I held you in a dream last night oh I was wrong again
Cause all we ever do is say goodbye so long I'm gone again

Don't wanna spend another night alone or stay gone for too long
I know you'll be there when I get back home and it keeps me hanging on

I say a prayer when the night is through just one more lonely day
I tell the baby mama's missin' you I don't know what else to say
You say you love me and I start to cry over the phone again
Cause all we ever do is say goodbye so long I'm gone again
[guitar]

I'm packing bags making plans to leave oh Lord that plane won't wait
Life on the road isn't easy for me you know I'd love to stay
So long I'm gone again so long I'm gone again so long I'm gone again
