

Sweethearts Of The Rodeo, Satisfy You

Oh baby tell me true what in the world's come over you
Oh darling I would do anything to satisfy you
Anything to satisfy you

Said I'd stay with you forever meant those words with all my heart
Now whenever we're together I feel like we're miles apart
Like a stranger in the dark
Oh baby tell me true...

Honey you don't have to hurry just relax and take your time
I don't know what you don't tell me I don't mean to be unkind
Honey I can't read your mind
Oh baby tell me true...

I just wanna see you happy I just hate to see you cry
Tell me what it takes to please you there is nothing I won't try
Anything but say goodbye
Oh baby tell me true...
(fiddle)
Oh baby tell me true...
Oh baby tell me true...
Oh baby tell me true...
