

# Swift, Unbelievable

It's unbelievable  
That the world would choose to be left out  
It's undeniable... this Love I found  
Do you know what I'm talkin' about  
'Cause I found the one thing you've been missing  
And I'm singin' &quot;Yeah&quot;  
You've gotta believe  
That the love you need  
Is the love I found  
It's hard to see why some people  
Just don't wanna believe  
It's crazy to run from the One who  
Only wants to give what you need  
&quot;Hey, hey, hey&quot;... how can you say  
You don't need to have His love in your heart  
I can't believe you'd turn away  
From the Love that takes you just as you are  
I was lost, getting tossed by  
Every wind and wave of the sea  
Sinkin' in my sin  
&quot;Til Someone came and rescued me  
&quot;Hey, hey, hey&quot;... there's no way  
You could ever make it on your own  
You've got a friend in Jesus  
He'll NEVER EVER leave you alone  
&quot;Hey, hey, hey&quot;... how can you say  
You don't need to have His love in your heart  
His love is so unbelievable
