

Swing Out Sister, Always

(Swing Out Sister)

Falling in to someone else's daydream
You'll wake up when you're prepared to learn
Can't steal yourself an imagination
Face the truth or watch your future burn,
Flying high as a bird in the sky for a while
Maybe makes you feel fine,
But it shows when you're low 'cos you know
That it's all in your mind.
Every trip that you take shocks your senses awake
But you can't turn back time,
You'll get by when you find it's no lie
That it's all in your mind.
Stepping out into this wide world for the first
time,
Catch your breath or you will be led astray.
Attitudes some low and cruel to fool you,
Mesmerized hypnotic eyes look your way...
Repeat Chorus
Flying high as a bird in the sky for a while
But it shows when you're low 'cos you know that
it's all in your mind...
It's all in your mind
Every trip that you take shocks your senses awake
You'll get by when you find it's no lie that it's all
in your mind,
All in your mind....
