

# Swing Out Sister, Feel Free

Keep on runnin'  
Bet you're on running borrowed time  
Keep on livin'  
On a losin' streak life's a crime

Life doesn't come cheap  
And you can't put the cost  
Your conscience maybe weak  
But you pay the most

Feel free  
To live a lie  
Can't beg or steal  
What money can't buy

Feel free  
To close your eyes  
Feel free  
But you'll end up with nothing  
Feel free  
Play the fool for a while  
Feel free without it  
You can't steal a smile

Keep on walkin'  
Don't give a damn who you're steppin' on  
Keep on talkin'  
Better do something before your time's all gone

Feel free  
To close your eyes  
Feel free  
But you'll end up with nothing  
Feel free  
Play the fool for a while  
Feel free without it  
You can't steal a smile

Feel free  
To live a lie  
Feel free  
To spend your whole life runnin'  
Feel free  
You can fight for a while  
You can't steal a smile
