Swing Out Sister, If I Had The Heart

Drifting on a wave A breeze A thought caught in time Iridecent tears A kiss A dream of tomorrow Climbing Falling Pushing Pulling Every lap of life's ebb and flow And if I had the heart to tell you Would you have the strength to go

Sinking without hope Sunset A star in a moonless sky Closing like your mind My eyes A future that died Climbing Falling Pushing Pulling Every lap of life's ebb and flow And if I had the heart to tell you Would you have the strength to go

And if you don't want to tell me I don't need to know Climbing Falling Pushing Pulling Every lap of life's ebb and flow And if I had the heart to tell you Would you have the strength to go

Climbing Falling Pushing Pulling Every lap of life's ebb and flow And if I had the heart to tell you Would you have the strength to go
