

Swing Out Sister, La La La (Means I Love You)

L.A. is a great big freeway
Many girls have come to you
With a line that wasn't true
And you just passed them by
Now you're in the center ring
And their lies don't mean a thing
Why don't you let me try
I don't need a diamond ring
Cause you prove your love to me when you sing
Sweet and mellow
La la la la la la la la means I love you
La la la la la la la la means I love you
Never thought I'd meet a boy
Who could bring me so much joy
You are the one for me
Let me take you in my arms
Surround you with my charms
I'm sure that you will see
The things that I'm saying are true
This is the way that I explain them you
Listen to me
La la la la la la la la means I love you
La la la la la la la la means I love you
The things that I'm saying are true
Now I'd bet to spend my whole life through
Loving you
Can't you hear me
La la la la la la la la means I love you
La la la la la la la la means I love you
La la la la la la la la means I love you
La la la la la la la la means I love you
