Swing Out Sisters, All In Your Mind

(Swing Out Sister)

Falling in to someone else's daydream

You'll wake up when you're prepared to learn

Can't steal yourself an imagination

Face the truth or watch your future burn,

Flying high as a bird in the sky for a while

Maybe makes you feel fine,

But it shows when you're low 'cos you know

That it's all in your mind.

Every trip that you take shocks your senses awake

But you can't turn back time,

You'll get by when you find it's no lie

That it's all in your mind.

Stepping out into this wide world for the first

time,

Catch your breath or you will be led astray.

Attitudes some low and cruel to fool you,

Mesmerized hypnotic eyes look your way...

Repeat Chorus

Flying high as a bird in the sky for a while

But it shows when you're low 'cos you know that

it's all in your mind...

It's all in your mind

Every trip that you take shocks your senses awake

You'll get by when you find it's no lie that it's all

in your mind,

All in your mind....
