

# Swing Out Sisters, If I Had The Heart

Drifting on a wave  
A breeze  
A thought caught in time  
Iridescent tears  
A kiss  
A dream of tomorrow  
Climbing  
Falling  
Pushing  
Pulling  
Every lap of life's ebb and flow  
And if I had the heart to tell you  
Would you have the strength to go

Sinking without hope  
Sunset  
A star in a moonless sky  
Closing like your mind  
My eyes  
A future that died  
Climbing  
Falling  
Pushing

Pulling  
Every lap of life's ebb and flow  
And if I had the heart to tell you  
Would you have the strength to go

And if you don't want to tell me  
I don't need to know  
Climbing  
Falling  
Pushing  
Pulling  
Every lap of life's ebb and flow  
And if I had the heart to tell you  
Would you have the strength to go

Climbing  
Falling  
Pushing  
Pulling  
Every lap of life's ebb and flow  
And if I had the heart to tell you  
Would you have the strength to go
