

Swing Out Sisters, Stone Soul Picnic

Can you surry, can you picnic
Can you surry, can you picnic c'mon c'mon and
Surrey down to a stoned soul picnic
Surrey down to a stoned soul picnic
There'll be lots of time and wine

Red yellow honey sassafrass and moonshines
Red yellow honey sassafrass and moonshines

Stoned soul
C'mon c'mon and

Surrey down to a stoned soul picnic
Surrey down to a stoned soul picnic
Rain and sun come in again

And from the sky come the lord and the lightning
And from the sky come the lord and the lightning

Stoned soul, surry on soul
Surry surry surry surry

There'll be trains of blossom
(there'll be trains of blossom)
There'll be trains of music
(there'll be music)
There'll be trains of trust
Trains of golden dust
Come along surry on sweet train of gold
Surry on down
Can you surry
Can you surry

Surry down to a stoned soul picnic
(can you surry, can you picnic)
Surry down to a stoned soul picnic
There'll be lots of time and wine
Red yellow honey sassafrass and moonshines
Red yellow honey sassafrass and moonshines
Stoned soul yeah
Surry on soul
Surry surry surry surry
Surry surry surry surry
