

Swing Out Sisters, Surrender

Surrender

Try to forget torment

Lying behind a smile

Tears for sentiment

Now I've done my time

You filled my hand with your opinions

Blind to your lies I listened

Still waiting for love to take revenge (revenge)

For that sweet surrender

You'll get what you deserve

Hiding behind a lie

Revenge says more than words

You'll pay for your crime

I fooled myself you'd change your ways

Blind to your lies I listened

Still waiting for love to take revenge (revenge)

For that sweet surrender

Still waiting for love to take revenge

For that sweet surrender

Still waiting for love to take revenge

For that sweet surrender

Still waiting for love to take revenge (revenge)

For that sweet surrender

(Inst. Break)

Still waiting for love to take revenge

For that sweet surrender

Still waiting for love to take revenge (revenge)

Still waiting for love

Still waiting for love to take revenge

Waiting for love from heaven

Still waiting for love to take revenge

Still waiting for love

To take revenge

Sweet revenge

Waiting for love from heaven
