

# Switchblade Symphony, Dirty Dog

Keep a line for you  
Keep a line for you

Get it off, waterfall  
Wash it off of me  
What do you think, little man  
You could do to me?

And I'm feeling like I'm moving  
I am flying, tonight  
I am sliding, I am gliding,  
And I'm feeling all right

Won't she wise up,  
Stop going out and in?  
Won't she wise up,  
Stop going out and in?

Keep a line for you  
Keep a line for you

What a way  
A little fly  
Can land on everything  
Dirty ways,  
Sick and small  
He is the insect king

And I'm feeling like I'm moving  
I am flying, tonight  
I am sliding, I am gliding  
And I'm feeling all right

Won't she wise up,  
Stop going out and in?  
Won't she wise up,  
Stop going out and in?

Won't she wise up,  
Stop going out and in?  
Won't she wise up,  
Stop going out and in?
