Switchblade Symphony, Dirty Dog

Keep a line for you Keep a line for you

Get it off, waterfall Wash it off of me What do you think, little man You could do to me?

And I'm feeling like I'm moving I am flying, tonight I am sliding, I am gliding, And I'm feeling all right

Won't she wise up, Stop going out and in? Won't she wise up, Stop going out and in?

Keep a line for you Keep a line for you

What a way A little fly Can land on everything Dirty ways, Sick and small He is the insect king

And I'm feeling like I'm moving I am flying, tonight I am sliding, I am gliding And I'm feeling all right

Won't she wise up, Stop going out and in? Won't she wise up, Stop going out and in?

Won't she wise up, Stop going out and in? Won't she wise up, Stop going out and in?
