

# Switchblade Symphony, Invisible

I feel that you should know  
I have an empty soul  
Its a warning 2X  
If you leave 2X  
I will fallow2X  
Whatever 2X  
Cant see them stomping on the switches  
Take my bathrobe  
round my fences  
See the empty views.  
If you leave 2X  
I will fallow 2X  
What am I 2X  
Cant say your stomping on the switches.  
Straight to her  
We are the creatures that don't have eyes  
Gods and devils  
take their pillows  
get into position  
To become dead.  
Lies..  
Suprise...  
Its a warning 3X  
If you leave 2X  
I will fallow 2X  
If you leave 2X  
I will fallow 2X  
Can't say your stomping on the switches...
