

# Switchblade Symphony, Sleep

I don't feel good  
I don't sound good  
I don't look good  
I wish I was right

I don't feel good  
I don't sound good  
I don't look good  
I wish I was right

I watch you sleep  
Away the time  
I watch you sleep  
Sleep tight

Am I a little liar  
Hiding below your bed  
Am I a little liar  
Wish I was right

Am I a little liar  
Laying below your bed

Am I a little liar  
Wish I was right

I watch you sleep  
Away the time  
I watch you sleep  
Sleep tight

I watch you sleep  
Away the time  
I watch you sleep  
Sleep tight

Look at my bricks,  
My bricks I am laying  
Look at my bricks,  
My bricks I am laying  
Down, down, down,  
You'll fall  
Down, down, down,  
You'll fall  
Down, down, down,...
