Switchblade Symphony, Witches

Witches, they ride
On broomsticks, 'ya know
Angels use wings
To catch the wind's blow
And they're moving as far as they can
And as fast as they can

Skeletons white, They glow in the night Goblins entrance With their wicked dance And they're moving as far as they can And as fast as they can

Your dreams are filled With blood and gore Now they're right outside your door They're gonna get you

A spider's love bite
May find you tonight
Monsters, they eat
Your kind of meat
And they're moving as far as they can
And as fast as they can

Now it's getting hot, hot Now it's getting hot, hot Run for water Now it's getting too hot

Nee, nee, nee, nee, nee, ha ha ha...
