

# Switched, I'm Falling

And I sold my soul  
Just to feel you  
And I lost it all  
Just to see you fall

Cause I want it and I need it and I know for sure  
Cause you love it and I hate it but who's keeping score

So confused at her and myself again  
Hey my friend  
Your salvation will never last  
So can you catch me cause I'm falling

And I light a fuse  
Just to prove to you  
That no money can buy  
The hate I have inside for you

Don't fake it just say it and I'll give you more  
Cause I'll wreck it the second you're out the door

So confused at her and myself again  
Hey my friend  
Your salvation will never last  
So will you catch me cause I'm falling

Cause I'm falling

Cause I want it and I need it and I know for sure  
Cause I love it and I hate it and I'll die for more

So confused at her and myself again  
Hey my friend  
Your salvation will never last  
But nothing is left to be  
When the truth is ruined  
So can you catch me cause I'm falling  
Cause I'm falling  
Cause I'm falling
