

# Switchfoot, Edge Of My Seat

Nothing more  
That there's nothing more  
Nothing more  
That there's nothing more

Nothing here's the same  
It's all a dream  
Life on a movie screen  
And I'm sitting on the edge of my seat  
I can't tell what happens next  
Just what I've seen  
I don't know what it means  
But I'm holding on the edge of my seat

'Cause I can't forget your name  
Forget your name  
Yeah, I can't forget you  
Now I know  
I can't forget you girl

I promise  
Sit back, buckle in, and hold on tight  
A roller coaster ride  
And I'm holding on the edge of my seat

And I can't know for sure  
'Cause I'm just laying it on your shore  
But I think you got nothing but another thing coming  
If you think there's nothing more

That there's nothing more

I can't forget your name  
Forget your name  
Yeah, I can't forget you  
Now I know  
I can't forget you girl  
No

I can't forget your name  
Forget your name  
Yeah, I can't forget you  
Now I know  
I can't forget you  
Can't forget you  
Can't forget you girl

Forget your name  
Forget your name  
Yeah, I can't forget you  
Now I know  
I can't forget you girl  
No
