

# Switchfoot, Sooner Or Later (Soren's Song)

Come back and haunt me  
Follow me home  
Give me a motive  
Swallow me whole

They say I've lost it  
What could I know  
When I'm but a mockery  
I'm so alone

Sooner or later you'll find out  
There's a hole in the wall, yeah  
Sooner or later you'll find out  
There's a hole in the wall

Today is ours  
Condemned to be free, oh  
Free to keep breathing  
Free to believe

I look to find you  
Down on my knees  
Oh God, I believe  
Please help me believe

Sooner or later they'll find out  
There's a hole in the wall, yeah  
Sooner or later you'll find out  
That you'll dream to be that small, yeah

I'm a believer, help me believe  
I'm a believer, help me believe

I gave it all away and I lost who I am  
I threw it all away  
With everything to gain  
And I'm taking the leap  
With dreams of shrinking  
Yeah, dreams of shrinking  
Yeah, dreams of shrinking  
Yeah, dreams of shrinking  
Yeah

Come back and haunt me  
Follow me home  
Give me a motive  
Swallow me whole

Sooner or later  
Sooner or later, yeah  
Sooner or later (you'll find out)  
Sooner or later (give me a motive, swallow me whole), yeah  
Sooner or later  
Sooner or later  
Give me a motive
