

# Switchfoot, Spirit

Spirit, fall fresh on me  
Spirit, fall fresh on me

Hear my cry, fill my life  
I won't need anything but You

I found all that I want, all that I longed for in You  
I found all that I want, all that I longed for in You  
Wasted time, is when I'm far from Your truth  
I've found all that I want, all that I long for in You

Spirit, come be my joy  
Spirit, come be my joy  
Be my song, fill my lungs

I won't need anything but You

I found all that I want, all that I longed for in You  
I found all that I want, all that I longed for in You  
Wasted time, is when I'm far from Your truth  
I've found all that I want, all that I long for in You

I've found all that I want, all that I long for in You  
I found all that I want, all that I longed for in You  
Wasted time is when I'm far from Your truth

I've found all that I want, all that I long for in You  
All that I want, all that I long for in You  
I've found all that I want, all that I long for in You  
I've found all that I want, all that I long for is You  
Yes, You're all that I want, all that I long for is You
