

Switchfoot, Stars

Maybe I've been the problem,
Maybe I'm the one to blame,
But even when I turn it off and blame myself
The outcome feels the same.

I've been thinking
Maybe I've been partly cloudy,
Maybe I'm the chance of rain.
And maybe I'm overcast,
Maybe all my luck's washed down the drain.

I've been thinking about everyone
Everyone, you look so lonely.

Chorus:

But when I look at the stars,
When I look at the stars,
When I look at the stars,
I see someone else.
When I look at the stars, the stars, I feel like myself.

Stars looking at a planet
Watching entropy and pain.
And maybe start to wonder how the chaos in our lives
Could pass as sane.
I've been thinking about the meaning of resistance,
Of a world beyond my own,
And suddenly the infinite and penitent
Begin to look like home.

I've been thinking about everyone,
Everyone, you look so empty

Chorus

Stars, stars
Everyone, everyone you feel so lonely
Everyone, yeah, everyone, you feel so empty

But when I look at the stars
When I look at the stars
When I look at the stars
I feel like myself

When I look at the stars
The stars
I see someone
