

# Swollen Members, Northern Lights

[Madchild]

You're advised to stand back, I attack at the crack of dawn  
Beware the lash of the savage, a fact you act upon  
As the weak seek shelter, this is something sacred  
Poetry of wolves, dreaded on treaded acreage  
Cuz of I, who enjoys poisoning boys and girls minds  
Just for the fun of it, runnin' with pain and punishment  
Mad Child's astonishing, Battleaxe reconnaissance  
I give you my word we won't sleep, I keep my promises  
I'm a suspicious looking character, don't trust 'em  
Cops wanna bust 'em, gettin' harassed by customs  
Yo, cuz I'm diamond studded and budded  
Yeah we partially responsible for L.A. gettin' flooded  
With the vinyl, finally we made it stick  
Set a strong foundation, plus we laid it thick  
Now pick a flock of your finest assassins  
As we take you on the ride of your life, unsafely fastened  
I can't seem to slow this thing down, it's too fast  
See we dealin' with the future through the magic of the past  
Super charged turbo ultra culture preservation  
Unlock the vault, mind altering concentration

[Chorus]

Wherever we cool out we ignite  
Rhymes like we, come blazin' on site  
We shine but we're much more than bright  
Gettin' the world high off these northern lights  
Gettin' the world high, then I shed some light  
Gettin' the world high off these northern lights  
Gettin' the world high, then I shed some light  
Gettin' the world high off these northern lights

[Prevail]

I'm approaching a time where bombin' is obsolete  
Don't wait til there's a bullet in to post a police bulletin  
I host a ricochet where it's discreet as chamber spray  
That dance around, romance the siren sound

[Madchild]

Not from a violent town, once lost but now found  
Drinking clear creek water near the mountains that surround  
Glacial scapes, streams of evergreens  
The great northwest, beauty most have never seen

[Prevail]

Centered on high are majestic ravines  
Connected together, select and sevre  
Unfortunate soldiers with bolder vendettas  
Pullover ??? don't take in this weather  
In a media beaten by my accord  
The unfallen melancholy house that ushers out your vocal chord

[Chorus]

[Prevail]

Impersonate an' I'll renovate Eh yo, rap like me could attack for free Disassemble when you hear th  
Unify in the unit's eye, because once you're potent it becomes important Characterism is parallelis  
Burn with the phoenix up to the zenith Ostracized, not fossilized Persecution is the worst solution A  
A cornucopia of verbal phobia State your name before you make your claim Lock my bases in hom

[Chorus]
