Swollen Members, Steppin Thru

(Moka Only)

Ya'll can do, What Ya'll Want To Do Just Don't Let...
We're Doing This The Way You Want To Do
Rocking You, Just Watch How Your Shit Gets Blown Back...
I Know You Wish You Could Do It Too
People Think That They Can Do It Like Swollen Do...
The Members Do It Like You'd Never Knew
Getting It, By Grip, That's The Way We Rolling...
You Better Move It When We're Stepping Through

(Mad Child)

I'm the first thing to burst a verse of Street Stalker Off my rocker of Red Bull and Vodka Provocatively, walking like you're talking to me Branded outlandish, triple decker stress sandwich It's an ambush, turn out back to canvas Ain't it the art words, painted with pain in my heart New York to L.A., Yonge Street to Robson We get the job done and rob with tracks on

(Prevail)

Live in effect to such, graze the edge of the metal Raise taste, game face, first place, the rebel In the cage with the lions, engage with the giants Stars with temper, Red October, Prev the Cobra I coil the sunset, coiled my drumset Spitting grease out my grill, ya'll I'm Formula One Crack a hole in your helmet, your bucket, your pail Moka, Mad Child, Kemo, Prevail

I Know You Wish You Could Do It Too People Think That They Can Do It Like Swollen Do... The Members Do It Like You'd Never Knew Getting It, By Grip, That's The Way We Rolling... You Better Move It When We're Stepping Through You feel me as if I was a part of you If you really feeling what you want to do If you see how Moka Only gets it done Swollen Mem, get it off, never sweat it none Jump in the air, hands in the air, put them up Girls shake it down, girls shake it down, line it up Come to your town, come to your town, tear it up Once ya'll get down, ya'll staying down, pressing love

(Mad Child)

Yo, we shocked we made it, Mad Child rocks the greatest When I'm intoxicated, got shit locked, we waited And invaded and stated the tactics activated Can't hate it, you play the track and tax infatuated it Fatal attraction, won't stop till I'm Platinum Bam-Bam gonna flatten them, I'm baseball batting them Quick draw McGraw, rap assault rifle Go blind when you look into the mind of a psycho

(Prevail)

We're the main attraction boy, you're just a sideshow My bubbletonic glows in the glass, don't try to hide bro They spin the bottle from the Beat Junkie to the Sonar The curb to the club, heavy hitting like a crowbar No stars, no bruises, no cuts or bumps The signs of a veteran, how'd you come up chump Through the back door, this is a brand new rap war Blow the speaker through the mic stand and brand the dance floor
